Client - Vendora Coffee

Designer - Joy Hubbard

Launch Date - December 9, 2025

-Vendora Coffee is a high-end coffee company that sells their coffee from vending machines.

-Vendora Coffee is geared towards the hoity toity people who want luxurious coffee in a fast paced environment.

-The machines are placed in business buildings, hotel lobby's, education buildings, etc.

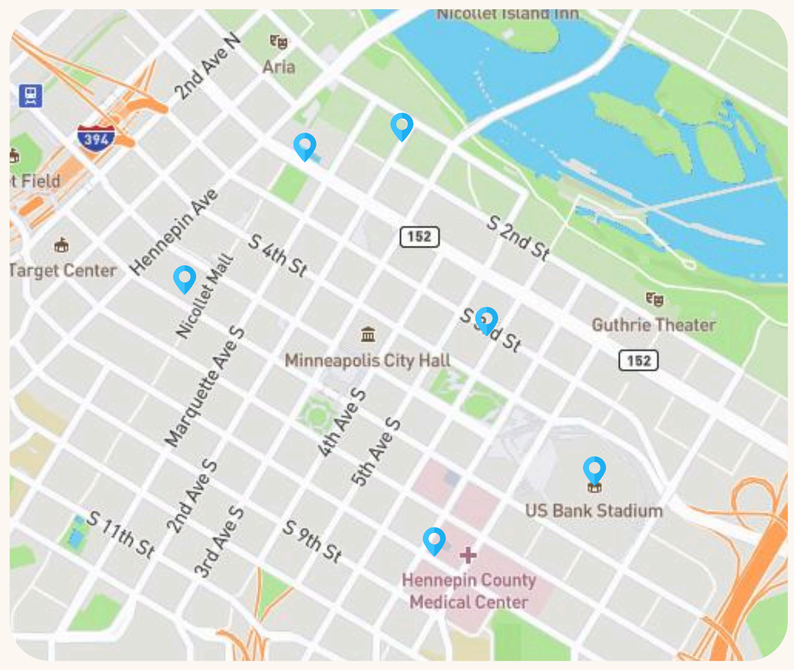

-Users order from an app to avoid lines and having to stand in front of a vending machine.

Vendora Coffee Products

-Caramel Cappuccino, Caramel Latte, Mocha Latte, Special Holiday Blend

-Sizes: xs, S, M, L with choices on espresso and syrup shots.

-Vending Machines are located downtown Minneapolis and the app has an interactive map and address locator

Vendora Coffee Design

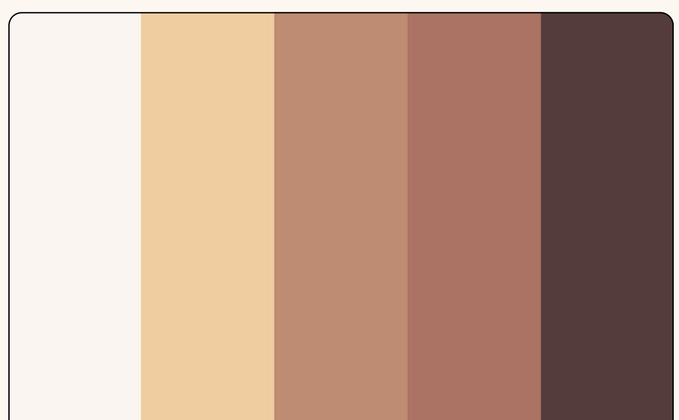

-Gotu Font

-Thin elegant style

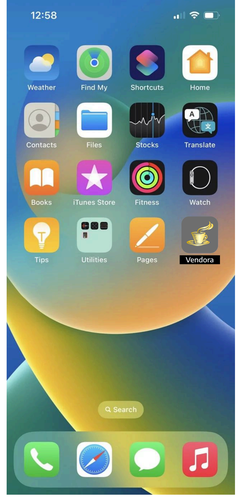

-Gold Gradient for logo

-Rounded edges for modern look

Please order a mocha latte with your choice of espresso shots and peppermint flavor.

You may find the interactive map helpful to find the exact address of the vending machines. (US Bank or Hennepin Country Medical Center.)

Feel free to use card or VIP points as payment.

Additionally you can check out your favorites page with the ability to delete either option off the page. Or star any drink as a favorite while on the order page.
